****All fundraising events that sell any alcoholic beverages must have a Michigan Issued Special Event Liquor License with Sagola Township named as additional insured on the bond/insurance liability rider policy. You may appeal a decision of the custodian by attending a township board meeting.**

TOWNSHIP BOARD POLICIES - TOWNSHIP HALL RENTAL AND USE

Sagola Township Hall is rented on a first come, first serve basis. The custodian has the authority to hold a rental request for ten days. Within the ten days, the rental contract must be completed, signed, and payment received. If the contract is not signed and rental fee paid then the rental is no longer held and is not guaranteed.

The security deposit is collected to pay for lost, stolen, damaged property, equipment and/or materials. It is also to ensure that the facility and grounds are cleaned to the township's satisfaction. After your event, the custodian will inspect the hall and premises. You are responsible for the caterers, decorators, and cleaning. Provided everything is in order and the cleaning is completed your security deposit will be returned. If there is any problem you will be given the opportunity to correct it before the next business day. Should a security deposit be forfeited any additional costs beyond the amount of the security deposit will be the responsibility of the renter. Renters who have not deposited a security payment are also responsible for the cost to repair damages or missing property including additional costs to clean up after your event. You will be invoiced by the township.

Once cleaning is completed, you are required to call the custodian to arrange for post rental inspection. Cleaning guidelines are attached and are posted at the hall.

Cancellation: You must cancel a rental agreement at least 30 days prior to the rental date in order to get your rent and security deposit returned. If you cancel after the 30 days your rent will not be returned, only your security deposit will be returned. The only exception being unforeseen events beyond your control.

Sagola Township Resident rental rate is intended for an event held for a resident of Sagola Township, and not permitted to rent for non-residents in order to avoid payment of the higher non-resident rates. Parents who are residents of the township may rent for a wedding of their child at the resident rate. The township custodian has authority to make these determinations, however the township board will settle any dispute at its sole discretion.

Service Organizations and Municipalities may request a waiver of rental fees, which must be submitted to and approved by the township board prior to the event.

Decorating: No hooks or tape on the ceiling. Do not attach anything to the ceiling fans. Do not use tape, stickers, decals; put tacks and/or nails in the walls or floors. You will be charged for nail holes or tape/adhesive damages.

Sagola Township has liability insurance but does not protect you as a host when you rent the hall. You are personally held responsible especially if alcohol is being served at your event. You must contact your insurance and put a rider on your policy for this and provide the custodian with a proof of insurance. If alcohol is being served, alcohol consumption will cease at 12:00 am.

All furniture is not to be moved outside of the building. Furniture is not loaned out or rented for use outside of the facility.

At this time, no rummage sales will be held in the Sagola Hall.
