Moved by J. Roell, Supported by T. Roell, to pay special bills: El-Com (\$18,690) Fire Dept radios / Wolverine Fireworks (\$2625) July 4th fireworks / GEI (\$2280) rate structure for sewer grant / White Water (\$1070) field sampling, and all regular bills.

Rita will check into CD rates through Edward Jones and has looked into rates at MBank.

Rita had emailed the Board regarding the Y-Motel sewer account and whether we should bill for residential and business, or just business. The Board's consensus was to bill for both residential and business. They have had a break for the last 30 years in only paying partially.

Sean Beckman notified Don of a matching sewer grant of \$100,000 with a \$30,000 township portion. The Board advised him to tell Sean to go ahead and apply.

We have only received one invoice from GAD for tire disposal of 75 tires, \$150.

Pam has been pricing laptops and the cost may amount to \$600.
